JURISDICTION AND VENUE

50. This action arises under the patent laws of the United States, Title 35 of the United States Code. This Court has subject matter jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1338(a). On information and belief, Defendants are subject to this Court’s specific and general personal jurisdiction, pursuant to due process and/or the Texas Long Arm Statute, due at least to their substantial business in this forum, including at least a portion of the infringements alleged herein. Without limitation, within this forum the Defendants have engaged in at least the selling of the accused products listed herein. In addition, on information and belief, at least one or more of the Defendants, namely AUDITEK, BLUE MICROPHONES, COBRA DIGITAL, CREATIVE, DIGITAL INNOVATIONS, EZONICS, GE, GEAR HEAD, HP, IHOME, JWIN, KLIP XTREME, KODAK, MACALLY, MICRO CENTER, PHOEBE, PROLYNKZ, RADIOSHACK, ROSEWILL, SAKAR and/or TRIPPE induce and/or contribute to infringement of the patent-in-suit by sellers and/or infringing users located in this forum. In addition, upon information and belief, at least one or more of the Defendants, namely AMAZON, CDW, COMPUSA, DELL, FRY’S, KMART, NEWEGG, OFFICE DEPOT, OVERSTOCK, SEARS, TARGET, TIGERDIRECT and/or WAL-MART induce and/or contribute to infringement of the patent-in-suit by infringing users located in this forum. Further, on information and belief, Defendants have interactive websites which are used in and/or accessible in this forum. Further, on information and belief, Defendants are subject to the Court’s general jurisdiction, including from regularly doing or soliciting business, engaging in other persistent courses of conduct,

and/or deriving substantial revenue from goods and services provided to persons or entities in Texas.

51. Venue is proper in this district under 28 U.S.C. §§ 1391(b), 1391(c) and 1400(b). On information and belief, from and within this Judicial District each Defendant has committed at least a portion of the infringements at issue in this case. Without limitation, Defendants are subject to personal jurisdiction in this forum. Further, within this forum the Defendants have engaged in at least the selling of the accused products listed herein. In addition, on information and belief, at least one or more of the Defendants, namely AUDITEK, BLUE MICROPHONES, COBRA DIGITAL, CREATIVE, DIGITAL INNOVATIONS, EZONICS, GE, GEAR HEAD, IHOME, JWIN, KLIP XTREME, KODAK, MACALLY, MICRO CENTER, PROLYNKZ, RADIOSHACK, ROSEWILL, SAKAR and TRIPE induce and/or contribute to infringement of the patent-in-suit by sellers and/or infringing users located in this district. In addition, upon information and belief, at least one or more of the Defendants, namely AMAZON, CDW, COMPUSA, DELL, FRY'S, KMART, NEWEGG, OFFICE DEPOT, OVERSTOCK, SEARS, TARGET, TIGERDIRECT, WAL-MART induce and/or contribute to infringement of the patent-in-suit by infringing users located in this district. Further, on information and belief, Defendants have interactive websites which are used in and/or accessible in this forum. Further, on information and belief, Defendants are subject to the Court's general jurisdiction, including from regularly doing or soliciting business, engaging in other persistent courses of conduct, and/or deriving substantial revenue from goods and services provided to persons or entities in this district.

COUNT I
INFRINGEMENT OF U.S. PATENT NO. 5,855,343

52. United States Patent No. 5,855,343 (“the ‘343 Patent”), entitled “Camera Clip” was filed on March 7, 1997 and duly and legally issued on January 5, 1999.

53. GlobalMedia Group, LLC (“Global Media”) is the assignee of the ‘343 Patent. GlobalMedia has granted an exclusive license to all substantial rights to the ‘343 Patent, including the right to bring this suit, to Acacia Patent Acquisition LLC (“APAC”). Prior to this suit being filed, APAC assigned all of its rights in the ‘343 Patent to AdjustaCam, which is the present exclusive licensee of, and owner of all substantial rights to the ‘343 Patent. Accordingly, AdjustaCam has standing to bring this lawsuit for infringement of the ‘343 Patent.

54. The claims of the ‘343 Patent cover, *inter alia*, apparatuses for supporting cameras comprising (1) a hinge member rotatably attached to the camera, the camera rotating about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer, when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

55. On information and belief, AMAZON has been and now is directly infringing at least claim 1 the ‘343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States by actions comprising selling and/or offering to sell apparatuses for supporting cameras comprising (1) a hinge member rotatably attached to the camera, the camera rotating

about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer, when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

56. Moreover, on information and belief, AMAZON has been and now is indirectly infringing by way of inducing infringement and/or contributing to the infringement of the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, including by providing the above-described apparatuses for supporting cameras to users. Upon information and belief, such induced and/or contributory infringement has occurred at least since this Defendant became aware of the '343 Patent, at least through becoming aware of this Complaint.

57. Upon present information and belief, AMAZON's infringing apparatuses comprise at least one or more of the Blue Microphones Eyeball USB Webcam Microphone, Creative Labs Creative Live Cam Video IM Pro Webcam, Creative Labs Creative Live! Cam Vista IM Webcam, Gear Head Quick Webcam Advanced, HP Deluxe Webcam, HP Premium Autofocus Webcam, HP Pro Webcam, iHome IH-W301DW MyLife Webcam, Kodak 1.3 MP Webcam, MacAlly ICECAM2 Webcam, Micro Innovations Basic Webcam, Minoru Webcam 3D Webcam and/or Pixxo AW-I1130 Webcam.

58. AMAZON is thus liable for infringement of the '343 Patent pursuant to 35 U.S.C. § 271.

59. On information and belief, AUDITEK has been and now is directly infringing at least claim 1 the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States by actions comprising selling and/or offering to sell apparatuses for supporting cameras comprising (1) a hinge member rotatably attached to the camera, the camera rotating about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer, when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

60. Moreover, on information and belief, AUDITEK has been and now is indirectly infringing by way of inducing infringement and/or contributing to the infringement of the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, including by providing the above-described apparatuses for supporting cameras to users. Upon information and belief, such induced and/or contributory infringement has occurred at least since this Defendant became aware of the '343 Patent, at least through becoming aware of this Complaint.

61. Upon present information and belief, AUDITEK's infringing apparatuses comprise at least one or more of the Pixxo AW-I1130, AW-M2130 and/or AW-U1131 Webcam.

62. AUDITEK is thus liable for infringement of the '343 Patent pursuant to 35 U.S.C. § 271.

63. On information and belief, BLUE MICROPHONES has been and now is directly infringing at least claim 1 the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States by actions comprising importing, making, using, selling and/or offering to sell apparatuses for supporting cameras comprising (1) a hinge member rotatably attached to the camera, the camera rotating about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer, when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

64. Moreover, on information and belief, BLUE MICROPHONES has been and now is indirectly infringing by way of inducing infringement and/or contributing to the infringement of the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, including by providing the above-described apparatuses for supporting cameras to resellers and/or users. Upon information and belief, such induced and/or contributory infringement has occurred at least since this Defendant became aware of the '343 Patent, at least through becoming aware of this Complaint.

65. Upon present information and belief, BLUE MICROPHONES' infringing apparatuses comprise at least one or more of the Eyeball, Mini Eyeball, Eyeball 2.0 and/or Showflake webcams.

66. BLUE MICROPHONES is thus liable for infringement of the '343 Patent pursuant to 35 U.S.C. § 271.

67. Moreover, on information and belief, CDW has been and now is indirectly infringing by way of inducing infringement and/or contributing to the infringement of the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, including by providing the above-described apparatuses for supporting cameras to users. Upon information and belief, such induced and/or contributory infringement has occurred at least since this Defendant became aware of the '343 Patent, at least through becoming aware of this Complaint.

68. Upon present information and belief, CDW's infringing apparatuses comprise at least one or more of the Blue Microphones Eyeball 2.0 Webcam, Creative Live! Cam Vista IM Webcam, Creative Video IM Ultra Webcam, HP Business Webcam, HP Deluxe Webcam, HP Elite Autofocus Webcam, HP Premium Autofocus Webcam and/or Tripp Lite Notebook Clip-On Camera.

69. CDW is thus liable for infringement of the '343 Patent pursuant to 35 U.S.C. § 271.

70. On information and belief, COBRA DIGITAL has been and now is directly infringing at least claim 1 the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States by actions comprising importing, making, using, selling and/or offering to sell apparatuses for supporting cameras comprising (1) a hinge member rotatably

attached to the camera, the camera rotating about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer, when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

71. Moreover, on information and belief, COBRA DIGITAL has been and now is indirectly infringing by way of inducing infringement and/or contributing to the infringement of the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, including by providing the above-described apparatuses for supporting cameras to resellers and/or users. Upon information and belief, such induced and/or contributory infringement has occurred at least since this Defendant became aware of the '343 Patent, at least through becoming aware of this Complaint.

72. Upon present information and belief, COBRA DIGITAL's infringing apparatuses comprise at least the Cobra Digital 3D Webcam.

73. COBRA DIGITAL is thus liable for infringement of the '343 Patent pursuant to 35 U.S.C. § 271.

74. On information and belief, COMPUSA has been and now is directly infringing at least claim 1 the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States by actions comprising selling and/or offering to sell apparatuses for supporting

cameras comprising (1) a hinge member rotatably attached to the camera, the camera rotating about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer, when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

75. Moreover, on information and belief, COMPUSA has been and now is indirectly infringing by way of inducing infringement and/or contributing to the infringement of the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, including by providing the above-described apparatuses for supporting cameras to users. Upon information and belief, such induced and/or contributory infringement has occurred at least since this Defendant became aware of the '343 Patent, at least through becoming aware of this Complaint.

76. Upon present information and belief, COMPUSA's infringing apparatuses comprise at least one or more of the Blue Microphones Eyeball Webcam, Blue Microphones Snowflake Microphone and/or iHome MyLife His Home Her Home Webcam Kit.

77. COMPUSA is thus liable for infringement of the '343 Patent pursuant to 35 U.S.C. § 271.

78. On information and belief, CREATIVE has been and now is directly infringing at least claim 1 the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the

United States by actions comprising importing, making, using, selling and/or offering to sell apparatuses for supporting cameras comprising (1) a hinge member rotatably attached to the camera, the camera rotating about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer, when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

79. Moreover, on information and belief, CREATIVE has been and now is indirectly infringing by way of inducing infringement and/or contributing to the infringement of the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, including by providing the above-described apparatuses for supporting cameras to resellers and/or users. Upon information and belief, such induced and/or contributory infringement has occurred at least since this Defendant became aware of the '343 Patent, at least through becoming aware of this Complaint.

80. Upon present information and belief, CREATIVE's infringing apparatuses comprise at least one or more of the Creative Live! Cam Video IM Pro Webcam, Creative Live! Cam Video IM Ultra Webcam, Creative Live! Cam Vista IM Webcam, Creative Live! Cam Voice, and/or Creative Live! Video IM Ultra Webcam.

81. CREATIVE is thus liable for infringement of the '343 Patent pursuant to 35 U.S.C. § 271.

82. On information and belief, DELL has been and now is directly infringing at least claim 1 the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States by actions comprising selling and/or offering to sell apparatuses for supporting cameras comprising (1) a hinge member rotatably attached to the camera, the camera rotating about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer, when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

83. Moreover, on information and belief, DELL has been and now is indirectly infringing by way of inducing infringement and/or contributing to the infringement of the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, including by providing the above-described apparatuses for supporting cameras to users. Upon information and belief, such induced and/or contributory infringement has occurred at least since this Defendant became aware of the '343 Patent, at least through becoming aware of this Complaint.

84. Upon present information and belief, DELL's infringing apparatuses comprise at least one or more of the Creative Labs VF0420 Creative Live! Vista IM Web Camera and/or Lifeworks iHome MyLife His Home Her Home Webcam Kit.

85. DELL is thus liable for infringement of the '343 Patent pursuant to 35 U.S.C. § 271.

86. On information and belief, DIGITAL INNOVATIONS has been and now is directly infringing at least claim 1 the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States by actions comprising importing, making, using, selling and/or offering to sell apparatuses for supporting cameras comprising (1) a hinge member rotatably attached to the camera, the camera rotating about a first axis of rotation relative to the hinge member, (2) a support frame rotatably attached to the hinge member, the hinge member rotating about a second axis of rotation relative to the frame, the second axis being generally perpendicular to said first axis, and the second axis being substantially parallel to a first surface on an object, for example a laptop or portable computer, when the hinge member is supported on the object, (3) the support frame having a first disposition positioned on a generally horizontal, substantially planar surface, for example a table top, and having a second disposition attached to the object, with the camera being maintained adjacent an edge of the object in the second disposition.

87. Moreover, on information and belief, DIGITAL INNOVATIONS has been and now is indirectly infringing by way of inducing infringement and/or contributing to the infringement of the '343 Patent in the State of Texas, in this judicial district, and elsewhere in the United States, including by providing the above-described apparatuses for supporting cameras to resellers and/or users. Upon information and belief, such induced and/or contributory infringement has occurred at least since this Defendant became aware of the '343 Patent, at least through becoming aware of this Complaint.

88. Upon present information and belief, DIGITAL INNOVATIONS' infringing apparatuses comprise at least one or more of the Basic Webcam, Webcam Basic, Webcam IC014C and/or Webcam USB 2.0 Autofocus.

189. WAL-MART is thus liable for infringement of the '343 Patent pursuant to 35 U.S.C. § 271.

190. As a result of Defendants' infringing conduct, Defendants have damaged AdjustaCam. Defendants are liable to AdjustaCam in an amount that adequately compensates AdjustaCam for their infringement, which, by law, can be no less than a reasonable royalty.

191. AdjustaCam reserves the right to take discovery from Defendants relative to their awareness/notice of the '343 Patent prior to the filing of suit. In any event, to the extent Defendants continue to infringe the '343 Patent during the pendency of this suit, such infringement would necessarily be willful and objectively reckless.

192. Accordingly, AdjustaCam seeks and/or reserves the right to seek a willfulness finding against Defendants relative to their infringement of the '343 Patent, in accordance with the above.

193. On information and belief, all Defendants have at least had constructive notice of the '343 Patent by operation of law.

PRAYER FOR RELIEF

WHEREFORE, AdjustaCam respectfully requests that this Court enter:

1. A judgment in favor of AdjustaCam that Defendants have infringed, directly, jointly, and/or indirectly, by way of inducing and/or contributing to the infringement of the '343 Patent;

2. A judgment that the Defendants' infringement is and/or has been willful and objectively reckless;

3. A permanent injunction enjoining Defendants, and their officers, directors, agents, servants, affiliates, employees, divisions, branches, subsidiaries, parents, and all others acting in active concert therewith from infringement, inducing the infringement of, or contributing to the infringement of the '343 Patent;

4. A judgment and order requiring Defendants to pay AdjustaCam its damages, costs, expenses, and prejudgment and post-judgment interest for Defendants' infringement of the '343 Patent as provided under 35 U.S.C. § 284;

5. An award to AdjustaCam for enhanced damages as provided under 35 U.S.C. § 284;

6. A judgment and order finding that this is an exceptional case within the meaning of 35 U.S.C. § 285 and awarding to AdjustaCam its reasonable attorneys' fees; and

7. Any and all other relief to which AdjustaCam may show itself to be entitled.

DEMAND FOR JURY TRIAL

Plaintiff, under Rule 38 of the Federal Rules of Civil Procedure, requests a trial by jury of any issues so triable by right.
